

Please allow K'Love radio, 88.9, 89.9, 88.5 to remain on the air. An LPFM is NOT the same as K'Love! Here are a few reasons why K'Love is so very important to me: It keeps me motivated, the music is clean and uplifting, it helps me be a better person. We ALL need this station and its messages. This station is heard in businesses, police cars, schools, taxi cabs, churches and homes. Please let us keep this station. There really is NOT another station like it!
